

# LIVINGWATER 2.17

<http://www.ttuuxxx.com/livingwater/index.html>

"Living Water" is a church related 2.17 Variant. I (ttuuxxx) spent a very long time making this Variant around 100hrs total.

The Opera version is 139MB and Firefox 145MB respectfully, including java and a host of other apps plus some system files have been updated.

The reason I made this version is because members of the "Church Pup" Forum have been asking for a lite version so I stepped up to the plate.

Some of the applications included are:

"ttuuxxxTV" is a custom application I made that has a listening of 15 Live church related video streams.

Gimpshop, Bluefish, Xine-ui, XMMS, Streamtuner, Goggles dvd player, Galculator, Firefox or Opera
